ABHIJIT DUTTA, M.C.A.
FREELANCE WEB EXPERT,
TEAM LEAD, SECOND BRACKETS LTD.
& *WCSA JOURNAL WEBMASTER*

Born in the West Bengal of India, Mr. Abhijit Dutta is a Website Developer with extensive knowledge of HTML5, CSS, WordPress, Object Oriented Programming (OOP), PHP, JavaScript, and various other software applications. He works with his own IT firm in Kolkata, India. To learn more about development deployment technologies, he has worked as a Computer Programmer and a Website Developer in several private IT companies.

Mr. Dutta received his Bachelors of Computer Application (B.C.A.) from West Bengal University of Technology in 2010, which is now known as Maulana Abul Kalam Azad University of Technology. Following this achievement, he worked as a Project Manager with a programming group on Area Information System (AIS) using PHP & MySql platofrms. He also earned his Masters in Computer Application (M.C.A.) in 2013 from the JIS College of Engineering with The West Bengal University of Technology. He completed this study with a focus on Civil Service Provider issues, using PHP & MySql. In his spare professional time, he has also worked extensively on Cryptography Algorithms.

Personally speaking, Abhijit enjoys watching all kinds of sports and listening to quality music, along with playing his favorite sport: cricket. Abhijit is also a good artist and enjoys painting and sketching. He is passionate about spicy Bengali food and Asian culture, as well as travelling extensively to experience other cultures of the world and new languages. Abhijit is a very personable and sincere, hardworking person. Responsibility, carefulness, and efficiency are his three professional trademarks. Over the past decade, Abhijit has gained several key skills, like: C++ Languages, HTML, CSS, WordPress, Object Oriented Programming, PHP, JavaScript, RSET API and Database & Tools in My-Sql.

Mr. Abhijit Dutta can be easily contacted through his personal email account at -- iabhijitdutta@gmail.com He is an excellent multitasker, and can work with various projects at the same time. All you need to do is send him an email and request a quote for the work you need accomplished.

"To succeed in your mission, you must have a single-minded devotion to your goal." --A. P. J. Abdul Kalam
